Dear Students and Parents:

Re: 2026 – 2027 Regina Transit Bus Service

---

As we prepare for the new school year, Regina Transit would like to remind students and families about the transit services available to high schools across the city. Regina Transit operates several regular routes that serve Regina high schools. In addition, specialized high school routes are provided in areas with higher student ridership and are designed to align with school catchment areas. These services help ensure students can travel safely, efficiently, and reliably to and from school. Information on transit routes and schedules is available at <https://www.regina.ca/transportation-roads-parking/transit/schedules-routes/>

To ensure everyone's trip is safe, easy and comfortable, we ask students and parents to review the information provided on the following page that includes general rules, paying fares and proper bus etiquette to ensure everyone has a pleasant travel experience.

Students planning to use Regina Transit this school year should obtain a valid Transit Pass or be prepared to pay the applicable fare. Children aged 13 and under who travel independently may qualify for a free Child Pass. Eligibility can be verified at the Transit Information Centre, located at 2124 11th Avenue. It is important that all youth riders scan their pass when boarding, including those using a free Child Pass. Having all passengers scan their pass provides valuable ridership data that helps ensure transit resources are allocated where they are needed most. It can also help reduce negative interactions between passengers and operators when eligibility may be difficult to verify. **Passengers who do not scan a valid pass or pay the required fare may be denied service.**

Transit Service Supervisors will be visiting high schools periodically to monitor safe and efficient transit usage and may speak with students directly. Our shared goal is to ensure transit remains a safe, reliable, and accessible transportation option for all students.

Thank you for your cooperation and support in helping create a positive transit experience for everyone. We wish all students and families a safe, successful, and enjoyable school year.

Yours truly,

Nathan Luhning  
Director, Transit

#### **Youth Fare (14-18 years of age)**

- Cash Fare: \$3.50
- 10-Ride Pass: \$27
- 20-Ride Pass: \$51
- 31-Day Pass: \$66

#### **Children (13 years and under)**

Children aged 13 years and under ride for free. Children travelling independently (without a fare-paying adult) must have and scan a valid Child Pass when boarding. To obtain a Child Pass, visit the Transit Information Centre at 2124 11th Avenue. To verify eligibility please bring one of the following documents:

- Health Card
- SGI Identification Card
- Birth Certificate
- Any other government-issued identification showing the child's birth month and year

The Child Pass will remain valid until the last day of the child's birth month in the year they turn 14. After that, regular fares will apply.

### **Accepted Payment Methods**

- Umo Mobility App
- Reloadable Umo Card
- Open Payments – tapping a debit or credit card directly on the validator inside the bus
- Exact cash fare

### **Buying Fares**

Purchase fares through the Umo Mobility App, online at [ca.umopass.com](http://ca.umopass.com), or from any Transit Agent location.

### **Bus Etiquette**

Help make transit safe, comfortable, and efficient for everyone by following these simple guidelines:

- Stand back from the curb while waiting for the bus.
- Wait for the bus to come to a complete stop before approaching the curb.
- Have your fare, Umo Card, or Umo App ready before boarding.
- Allow passengers to exit before boarding.

- Board the bus in an orderly manner without pushing or shoving.
- Move toward the rear of the bus after boarding to make room for others.
- Ring the bell approximately one block before your stop.
- If you are unsure where to get off, ask the Operator for assistance.
- Treat Operators and fellow passengers with courtesy and respect.
- Report any safety concerns to the Operator.
