### Application

The Regina Catholic School Division (RCSD), in accordance with *the Education Act* and *The Education Regulations*, will annually establish non-resident student tuition fees for international students.

RCSD may waive the requirement for tuition fees.

RCSD may provide educational services to students residing in another school division(s) in agreement with other school divisions.

In exceptional cases, when a student requires educational services not provided by the school division, the Director or designate is authorized to make arrangements for the provision of the required services by another educational jurisdiction or agency.
