Preamble

Summer School is an extension of the regular instructional program and provides students with opportunities to obtain, complete, or recover secondary level credits. All Summer School programming aligns with Ministry of Education policy and Regina Catholic Schools Administrative Applications, is delivered within a Faith-based learning environment, and maintains the integrity, rigour, and learning outcomes of courses offered during the regular school year.

Application

Students attending Regina Catholic Schools may apply to register for Summer School courses. Summer School provides opportunities for students to obtain additional credits, repeat courses, or complete credit recovery where appropriate. Students seeking a Faith-based online Summer School option are also welcome to register through Regina Catholic Schools Learning Online.

The student and/or the student's parents/guardians are responsible for any costs associated with such courses.
